
3.5" COLOUR VIDEOPHONE

6200 SERIES VIDEOPHONE

**6200
SERIES**

Surface mount
videophone in a
satin white finish.

The 6200 series colour videophone is a surface mount videophone incorporating a 3.5" Hi-Res full colour active matrix LCD screen in a satin white finish with memory video option available.

Features include "camera recall", "open door", "service" and "privacy" with LED indication for the "open door" and "privacy" features. Adjustments include call tone and speech volume controls, picture hue and brightness controls.

Available for the videokit series (CVK4K, CVR4KV, CVK8K and ESVK) including the new IP video system, VX2200 6 wire digital video system and the VX2300 "true" 2 wire digital system enabling these videophones to be used in single apartment installations through to high-rise installations with up to 1000 apartments.
